

12 Collection

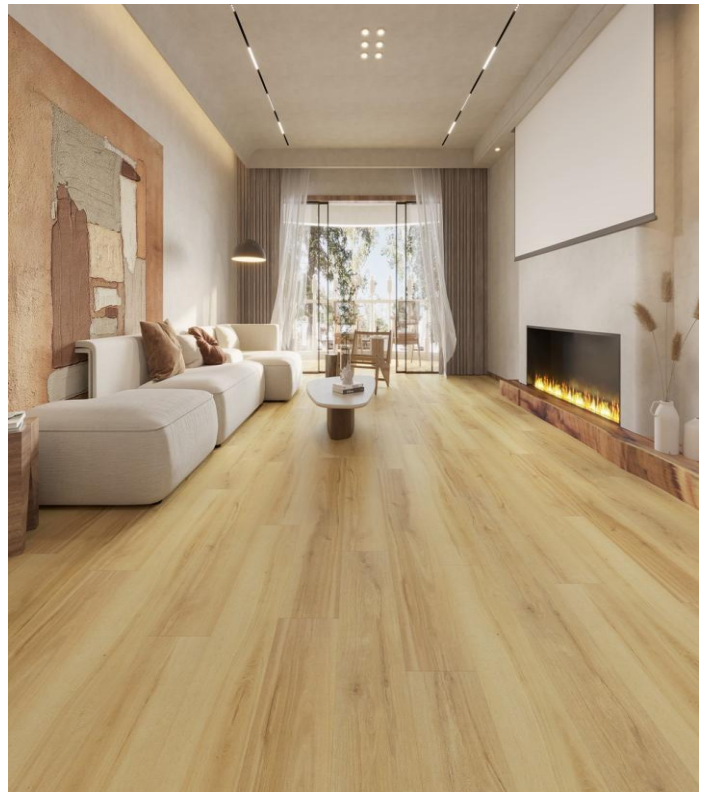

Water Resistance LAMINATE

WODEN
FLOORING

The 12-collection laminate floors have undergone rigorous testing, including a challenging 72-hour water resistance test. They have also been rated AC5 for abrasion resistance, ensuring exceptional durability. Our leak-proof 5G Dry offers the same quick, simple, and durable installation as the well-loved 5G Fold Down, but with an added watertight joint. It's an ideal match for wood-based floors like hardened wood and engineered wood, as well as laminate and resilient flooring. The secret lies in the watertight joint that prevents liquids from seeping through the seams and damaging the sub-floor. The result is zero leakage and peace of mind!

12 Collection

Water Resistance LAMINATE

PRODUCT SPECIFICATIONS

Dimension	1515x196x12mm	5'x7 3/4"
Finish	Embossed	
Water Resistance	72 hours Surface	
Installation	5G Dry	
Suitable Location	On, above or below grade	

CARTON SPECS

Packaging	19.18 sq./ft. per carton
PCS per box	6 PCS

FLOOR MOULDINGS & TRIM OPTIONS

Reducer
