

WARRANTY GUIDE

Vinyl Floors

Thank you for choosing Woden Flooring! Woden Flooring Vinyl Floors are covered by a 20-year limited residential warranty or a 5-year limited light commercial warranty, from the original date of purchase, and this warranty applies only to the original end user. These warranties are valid only when installed and maintained in accordance with Woden Flooring's recommended installation, and maintenance guidelines, as well as usage under normal household/office conditions in a dry enclosed residential/commercial building.

Subjective and personal preferences are not considered defective. It is the responsibility of both the purchaser and the installer to ensure products meet expectations prior to and during installation, as they are considered accepted once installed. Woden Flooring strongly recommends that our Vinyl floors are installed by professional and experienced installers, errors or damage that often arise because of negligence or poor quality of installation are not covered by this warranty.

GENERAL WARRANTY

- 1. It is the responsibility of the homeowner to ensure that the environment is kept clean – free from debris and other corrosive material or substances for but not limited to cleaning.*
- 2. This warranty is intended to cover only the value of the flooring when purchased, and does not cover any further expenses, damages, losses, or liabilities incurred because of the claim.*
- 3. This warranty is offered to the original purchaser and is non-transferable.*
- 4. This warranty is valid provided that the floor is correctly installed – following NWFA standards and proper maintenance is performed on a regular basis. Woden Flooring does not offer coverage for damage due to misuse and abuse – see exclusions for more details. Misuse such as dragging heavy furniture, excess exposure to snow removal salt, and malpractice with pets will damage vinyl flooring and voids this warranty. Normal wear and tear of flooring products is expected in casual use and is not covered by this warranty as this warranty is solely intended to cover defects in manufacturing.*
- 5. This warranty covers the residential use of flooring products indoors only and does not extend to cover commercial applications. The ideal temperature for our flooring products (while keeping in mind varying environmental conditions) range from 18 C (65 F) to 25 C (76 F). The relative humidity level (RH) for Vinyl flooring should be anywhere from 35% to 55%.*
- 6. Note: excessive gapping is frequently caused by but not limited to joints not correctly installed or blocked by debris, extreme dryness, floors being pinned down by incorrectly installed mouldings.*
- 7. Vinyl products are 100% waterproof, it is NOT a moisture barrier, if excessive moisture or standing water manages to get trapped underneath the planks for extended periods of time, there is a chance for mold and mildew to grow. Any damages as a result are not covered by this warranty.*

EXCLUSIONS

Products sold as “clearance” or “as-is” is excluded from this warranty. This warranty does not extend to or cover the following damages which are caused by, but not limited to:
